

SERIE
TIE

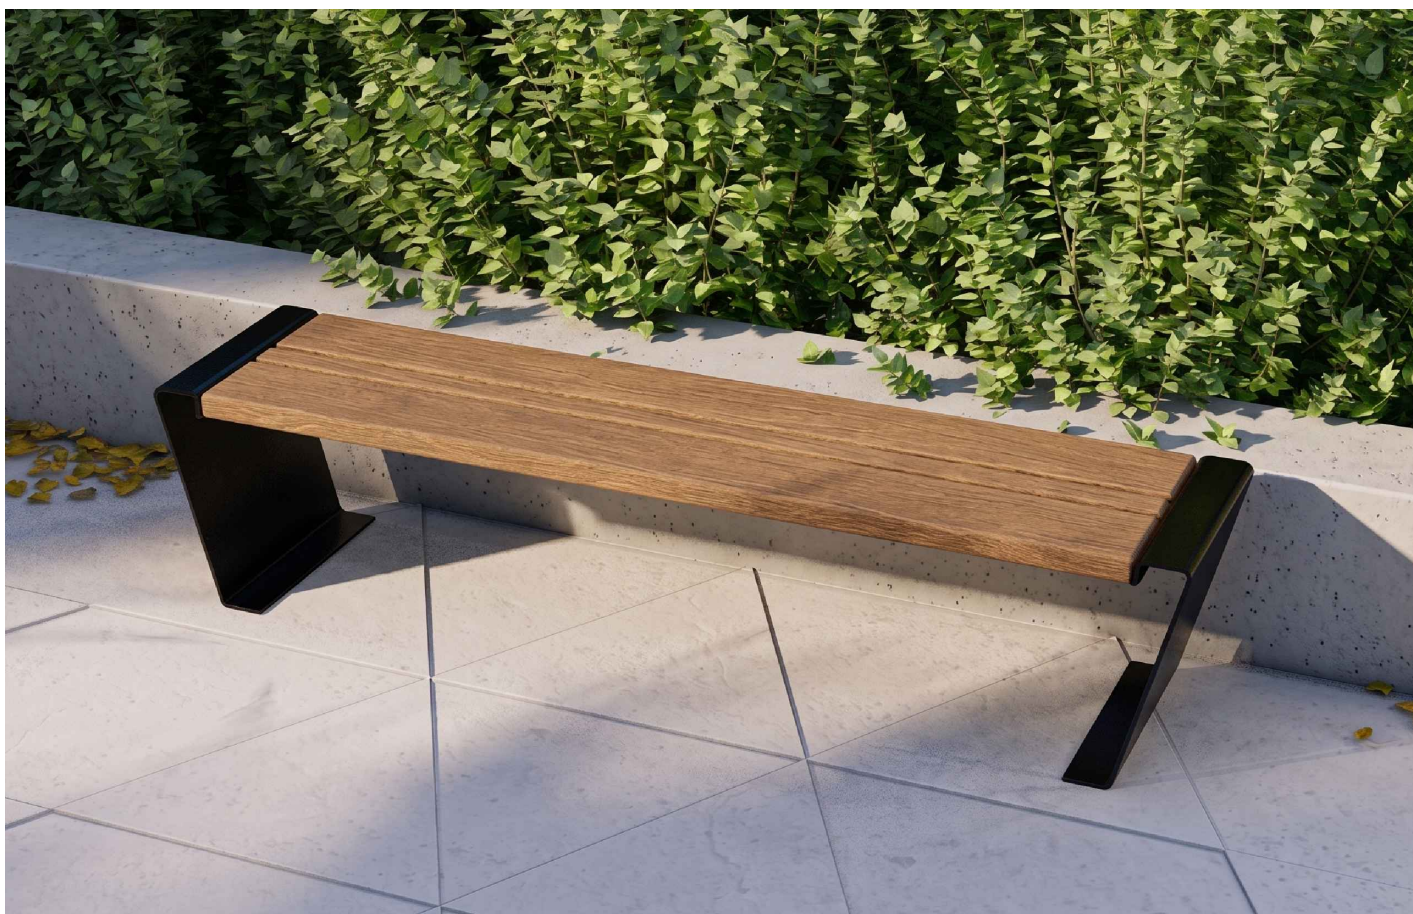

SERIE TIE

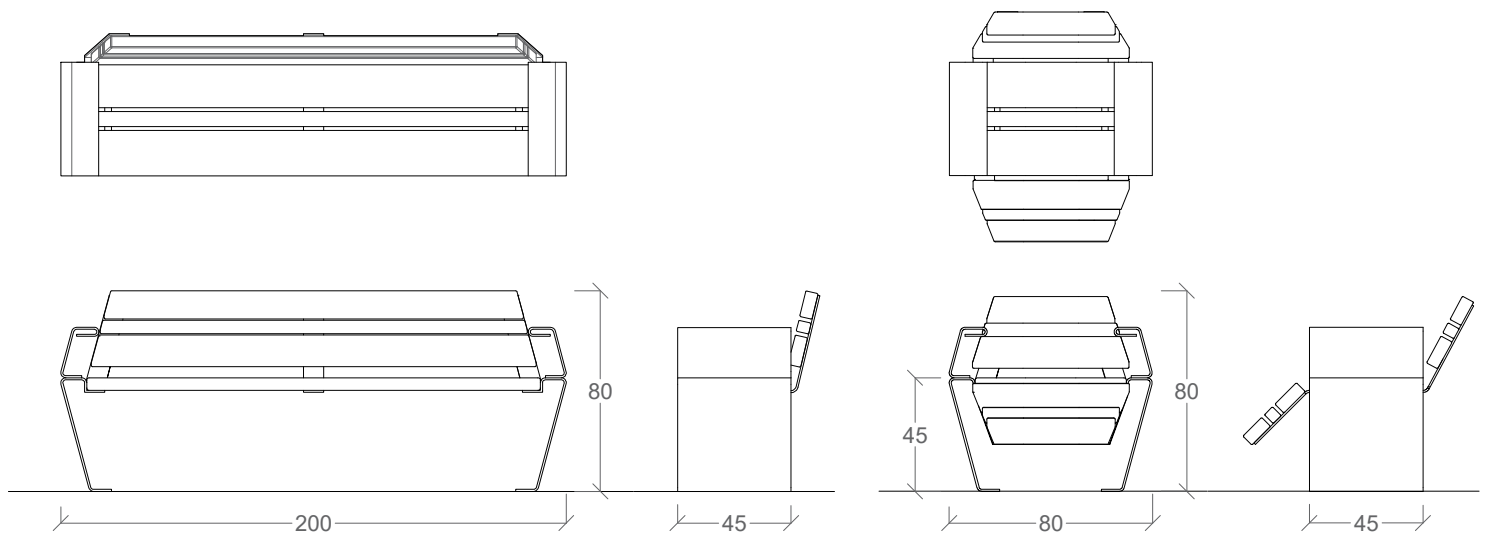

Piece of urban furniture built of a seat made of wooden slats and two steel plate supports, laser cut and folded.

Elegant and sober bench, with linear shapes, recommended for urban spaces such as promenades, ports, parks, squares,...

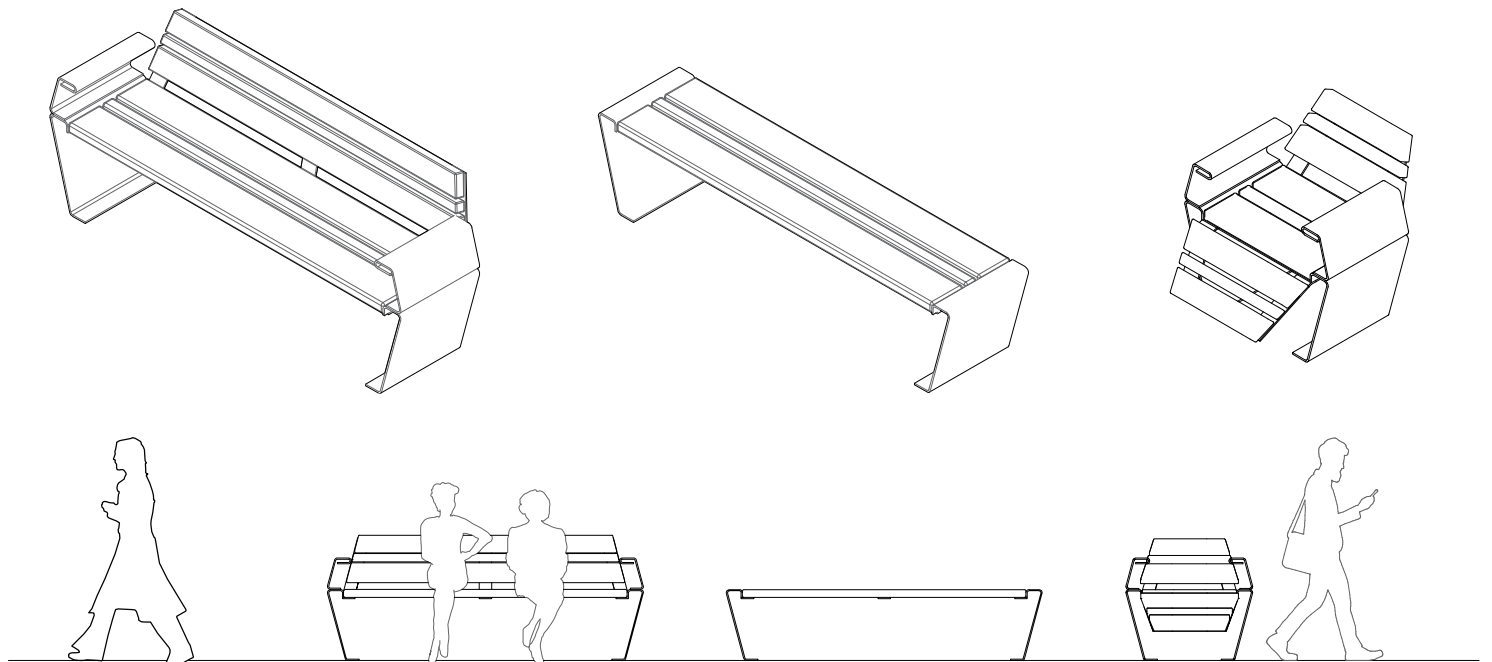

The robustness of the TIE Serie plains reinforces the purity of the materials used. Minimalist piece available with and without backrest and armrests, which makes it easy to place in any space, in addition to being able to sit in different orientations.

Technical Specifications

Measures in centimeters (cm)
