

PLANTER
MARSHMALLOW

PLANTER MARSHMALLOW

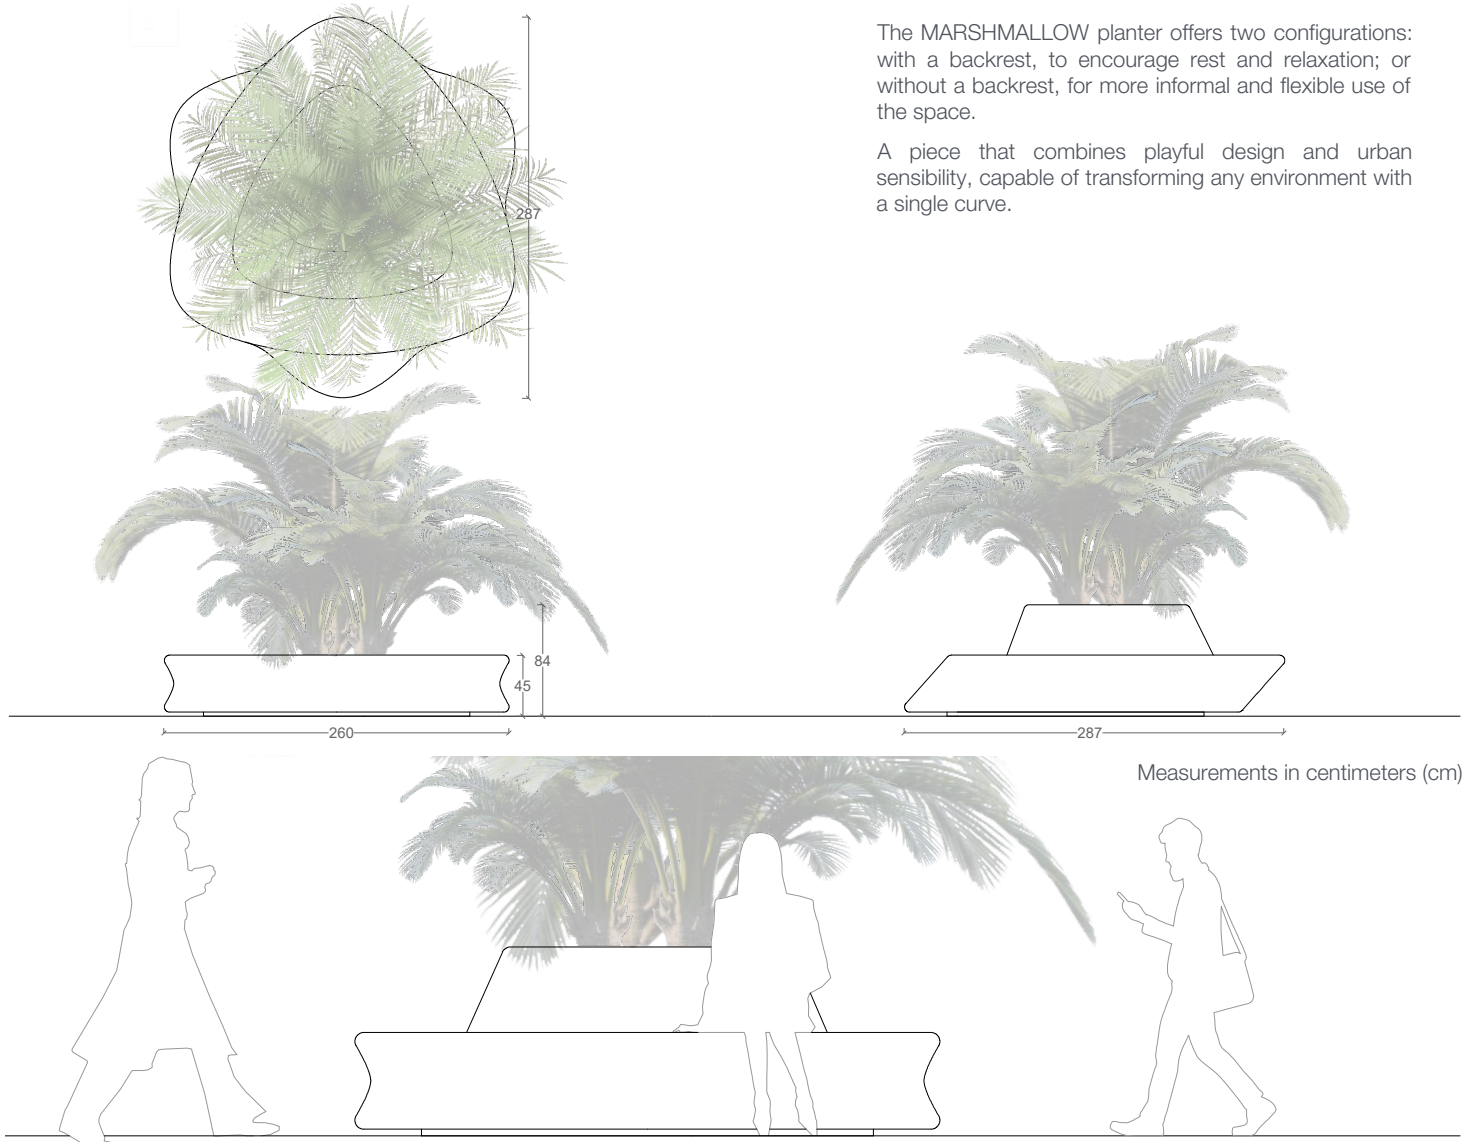

A piece of street furniture inspired by the soft, evocative shape of a marshmallow, from which it takes its name and organic form.

The MARSHMALLOW planter unfolds around a central core with a subtle, continuous twist, creating a changing perception from every angle and enveloping the user in a fluid and dynamic visual experience.

Its design is a sculptural and functional solution that blends into public spaces with a friendly and recognizable presence.
